

ILUKA

PROPOSED WIMMERA MINERAL SANDS PROJECT

Community information session (Face-to-face)

Venue:	Toolondo Hall
Date:	Thursday 18 March 2021
Time:	2 pm – 6 pm
Format:	Drop-in information session
Key topics:	Noise, vibration, landscape and visual, Aboriginal cultural heritage, historical cultural heritage, biodiversity

Come and engage one-on-one with the consultants to discuss study approaches, draft findings, and provide local knowledge input.

Iluka's land specialist will also be available to meet-and-greet, and for any preliminary discussions around land access, land acquisition or lease, and biodiversity offset agreements.

Due to COVID restrictions this drop-in session is specifically for local landholders from the area bounded by Norradjuha, Nurrabiel, Toolondo and Clear Lake.

It should also be noted that this session could be cancelled at any stage due to an increase in State government COVID restrictions.

For the broader community an on-line community information session is scheduled for Wednesday 24 March, 9 am – 11.30 am.
