EXPLANATORY MEMORANDUM

This Explanatory Memorandum has been prepared for the information and benefit of Shareholders in relation to the business to be conducted at the Company's Annual General Meeting. The purpose of this Explanatory Memorandum is to provide Shareholders with all information known to the Company which may be material to a decision on how to vote on the Resolutions in the accompanying Notice of Meeting. This Explanatory Memorandum should be read in conjunction with the Notice of Meeting.

Unless the context otherwise requires, capitalised terms used in this Explanatory Memorandum have the same meaning given to them in the Glossary to this Explanatory Memorandum.

FINANCIAL REPORTS

The Corporations Act requires the Annual Report of the Company (which includes the Directors' report, auditors' report and the financial statements of the Company for the year ended 31 December 2014) to be tabled at the Annual General Meeting.

Iluka's 2014 Annual Report (which includes the annual financial report, Directors' report and auditor's report) has been sent to those Shareholders who requested it. The 2014 Annual Report can be found on the Company's website (www.iluka.com).

Neither the Corporations Act nor the Constitution requires a vote of Shareholders on the reports or financial statements.

During this item, there will be an opportunity for Shareholders to ask questions about, or comment on, the reports and the management and performance of the Company.

Ordinary Resolutions

1. Resolution 1 – Re-election of Director – Mr Gavin John Rezos

Gavin John Rezos, BA, LLB, B.Juris, MAICD

Gavin Rezos retires under the director rotation provisions of Article 17.2 of the Company's Constitution. Mr Rezos, being eligible, has offered himself for re-election as a Director.

Mr Rezos was appointed to the Board in June 2006 and is considered by the Board to be an independent Director. He has extensive Australian and international investment banking experience and is a former investment banking director of the HSBC Group with regional roles during his HSBC career based in London, Sydney and Dubai. Mr Rezos has held chief executive positions and executive directorships of companies in the technology, energy and resources areas in the UK, US and Singapore and was formerly a director of Amity Oil NL (Antares). He is Chairman of Alexium International Group Limited, a non-executive investor director of Metalysis Limited (UK) and a principal of Viaticus Capital Pty Ltd. Mr Rezos is a member of the Nominations Committee and the People and Performance Committee.

The Board (other than Mr Rezos) recommends that Shareholders vote in favour of the resolution to re-elect Mr Rezos.

2. Resolution 2 – Adoption of Remuneration Report

The Remuneration Report is set out in the Directors' report in the Company's Annual Report.

The Remuneration Report:

- describes the policies behind, and the structure of, the remuneration arrangements of the Company and the link between the remuneration of Key Management Personnel and the Company's performance; and
- sets out the remuneration arrangements in place for each Director and for the Managing Director and other Key Management Personnel.

The Corporations Act requires the Company to put a resolution to Shareholders that the Remuneration Report be adopted. In accordance with section 250R(3) of the Corporations Act, the vote on Resolution 2 is advisory only and does not bind the Directors or the Company.

A voting exclusion applies to Resolution 2 in the terms set out in the Notice of Meeting. Key Management Personnel and their closely related parties may not vote on this Resolution and may not cast a vote as proxy, unless the proxy appointment gives a direction on how to vote or the proxy is given to the Chairman and expressly authorises the Chairman to exercise the proxy. The Chairman will use any such proxies to vote in favour of Resolution 2.

The Board recommends that Shareholders vote in favour of the resolution to adopt the Remuneration Report.

EXPLANATORY MEMORANDUM

3. Resolution 3 – Increase in non-executive Directors' fee cap

Quantum of the increase

The current maximum aggregate remuneration payable to all non-executive Directors is \$1.5 million per annum (**fee cap**), which was approved by Shareholders at the 2011 AGM.

For the purposes of Article 20.1 of the Company's Constitution and Rule 10.17 of the ASX Listing Rules, Shareholder approval is now sought to increase this fee cap by \$300,000 to \$1.8 million per annum (including superannuation).

Reason for the increase

The present fee structure for Directors is set out on page 86 of the Annual Report. The Board has determined that there will be no further increase to the base fees payable to individual Directors at this time, even if Shareholders approve the increase to the fee cap.

However, the Board considers that it is appropriate to seek approval for an increase in the fee cap in order to maintain an appropriate fee buffer in advance of specific needs arising. In particular, the increase to the fee cap will provide the Board with flexibility to make additional appointments to the Board should this be appropriate. While the Board is not currently proposing to increase its size, a circumstance may arise where the Board may wish to appoint additional non-executive Directors, for example to take advantage of an opportunity to appoint a candidate with particular skills or expertise that complements those currently represented on the Board.

In addition, the increase to the fee cap will provide scope to attract and retain high-calibre Board members and to provide effective transition arrangements. To facilitate orderly succession planning, new Directors may be appointed prior to the retirement of existing Directors, resulting in a short-term increase in the size of the Board and the total fees payable to the Directors. The proposed increase in the fee cap would enable the Company to facilitate such future changes in its membership and composition.

Payments included in the non-executive Directors' fee cap

The non-executive Directors' fee cap includes fees that are paid to Iluka's non-executive Directors for serving on the Board or standing committees of the Board, superannuation contributions made by the Company and its controlled entities and any fees a non-executive Director sacrifices on a pre-tax basis. The fee cap does not include reimbursement of genuine out of pocket expenses or special exertion fees.

Amount paid to non-executive Directors in 2014

As set out in the table at page 89 of the 2014 Annual Report, in 2014 a total of \$1,275,298 was paid to the non-executive Directors in fees and benefits. This amount is in respect of all non-executive Directors who served on the Board during 2014 and is inclusive of fees and superannuation contributions.

No securities have been issued to any non-executive Director under ASX Listing Rules 10.11 or 10.14 with shareholder approval within the last three years.

Board recommendation

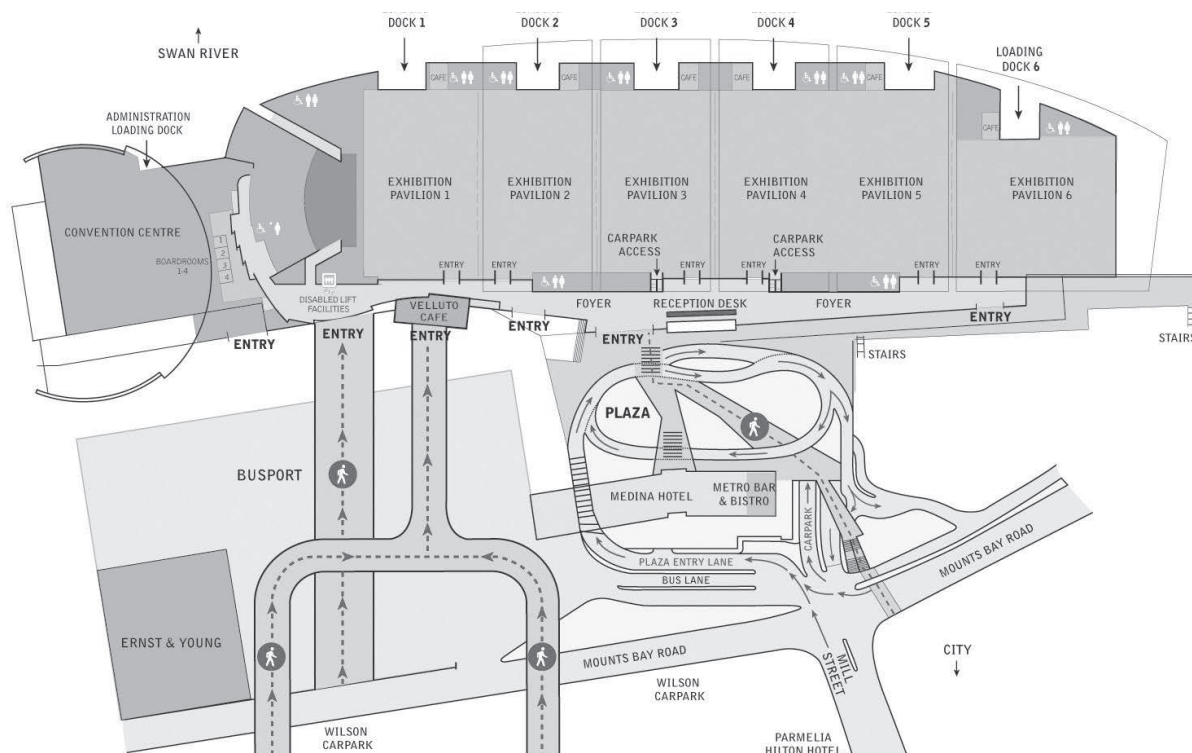

As the non-executive Directors have a personal interest in Resolution 3, the Directors make no recommendation as to how Shareholders should vote on this resolution.

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. Voting restrictions for KMP: Please note that if you appoint a member of the key management personnel (KMP) of the Company or one of their closely related parties as your proxy, they cannot vote on Resolutions 2 and 3 unless you direct them how to vote or the Chairman of the Meeting is your proxy. If the Chairman of the Meeting is your proxy and you do not mark a voting box for Resolutions 2 and 3, then by completing and returning the proxy form you will be expressly authorising the Chairman of the Meeting to exercise your proxy in respect of these Resolutions, even though they are connected with the remuneration of the Company's KMP.
